

Seed Suppliers

From - www.darrolshillingburg.com
posted January 2007

Many, but not all of these independent seed companies have signed the [Safe Seed Pledge](#)

Abundant Life Seeds

www.abundantlifeseeds.com/ - A small grower in Oregon, dedicated to seed security

Baker Creek Heirloom Seeds, based in Missouri.

www.rareseeds.com/ - They sell only heirloom varieties. Their selection of seeds is great and their catalog has news stories related to GMOs.

Botanical Interests

www.botanicalinterests.com - Unusual varieties, some good mixes suited to smaller gardens, excellent botanical art No catalog. Get seeds online or in local stores.

Bountiful Gardens

www.bountifulgardens.org - In addition to a vast collection of heirloom vegetables, they also have some grains that are hard to find including grains without hulls, cover crops, and the widgee tool for transplanting. Intensive garden books have good strategies for growing a lot of food in community garden plots.

Brent and Becky's Bulbs

www.brentandbeckysbulbs.com - Excellent selection of quality bulbs

Comstock, Ferre

www.comstockferre.com - claims to be the oldest (1820) continuously operating seed company in the U.S. They developed the Wethersfield Red onion but are now just a distributor with a really nice retail store.

The Cook's Garden

www.cooksgarden.com

Evergreen

www.evergreenseeds.com - All sorts of Asian seeds. Good resource for fall cool weather garden seeds. No catalog. Order online.
Multilingual dictionary of vegetable names. [link](#)

Fedco

www.fedcoseeds.com

Fragrant Path Seed Co

www.fragrantpathseeds.com - Seeds for fragrant, rare and old-fashioned plants

F.W. Shumacher

www.treeshrubseeds.com/ - They sell only seeds for trees and shrubs

Graines Baumaux-France

www.graines-baumaux.fr/ - Great European seed resource. Also has interesting flower mixes.
Website in French

Harris Seeds

www.gardeners.harrisseed.com

High Mowing Seeds

www.highmowingseeds.com - We are dedicated to organic seeds like no other company in the U.S. We have the highest organic integrity and attention to professional, high-quality seeds and service.

Hungnong-Korean

www.seminis.com/products/ - They were bought by Seminis. What some people are doing is buying from them one last time and saving seed of op seeds or only getting items which can't be found at more sustainable places.

JLHudson

www.jlhudsonseeds.net

Johnny's

www.johnnyseeds.com

King Seeds

www.kingsseeds.com.nz (Aust/NZ)

Kitazawa Seed

www.kitazawaseed.com (best Asian seedselection, very reliable)

Kitchen Garden Seeds - John Scheepers

www.kitchengardenseeds.com - Focusing on seeds for vegetables and flowers appropriate for the kitchen garden. Web and catalog - Based in Connecticut

Landreth

www.landrethseeds.com - They have interesting heirloom items. The company is so old that every U S president from Washington to Roosevelt ordered from them.

Meyer Seeds

www.meyersseed.com/ - Have a lot of different kinds of beans. some seed coated with toxic chemicals

Monticello

www.monticello.org/shop - Heirloom seeds including the sorts of plants that Jefferson grew or introduced.

Native Seeds SEARCH

www.nativeseeds.org - not a "seed supplier" but you can get southwest U.S. and Mexico regional seeds from them and hopefully maintain your own seed source.

New Hope Seed

www.newhopeseed.com/ - All of the seed offered is grown and produced here on their own farm.

New England Seed

www.neseed.com - relatively new. Focuses on commercial growers to some degree. Donates all of their leftovers at the end of each growing season.

New Gippsland Seeds

www.newgipps.com.au - (Australia)

Nichols

www.nicholsgardennursery.com - They have a good variety of hard to find seeds plus books,

cheesemaking, sourdough, wine and beer making items for people who want to create more of their own food.

Organic Gardening Catalogue

www.OrganicCatalog.com - (UK)

Park Seed

www.parkseed.com

Path to Freedom

<http://www.pathtofreedom.com>

Peaceful Valley Farm Supply

www.groworganic.com

Plants of the Southwest

www.plantsofthesouthwest.com

Renee's Seed

www.reneesgarden.com - Used to be Shepherd's seeds. Now even more great seeds. Nice botanical art. No print catalog. Get seeds online or at a local retailer

Richters Herbs

www.richters.com - The greatest variety of culinary, medicinal, dye, and multi-use herbs.

Ronnigers

www.ronnigers.com - best source for potatoes and garlic, also provide onions and sun chocks

Sand Hill Preservation

<http://www.sandhillpreservation.com/> - You might remember Glenn Downs as the teen in the Seed Savers literature who collected heirloom squash. He still has a lot and many other types of heirloom vegetables.

Seeds from Italy

<http://www.growitalian.com/> - Over 350 kinds of Italian seeds, mostly from Franchi Sementi.

Seeds of Change

<http://www.seedsofchange.com/default.asp> Good variety of heirloom seeds.

Seed Savers Exchange

www.seedsavers.org

Select

www.samen.ch - (Swiss) S.C. Foundation Seed Association Dr. David Bradshaw, S.C. Foundation Seed Association (864) 656-2520. Recently retired, Dr. Bradshaw has been gathering and sustaining historic varieties for 2 decades at Clemson U. Great resource!

Southern Exposure Seed Exchange

www.southernexposure.com - real friends for Southern gardeners

Stokes Seed

www.stokeseeds.com

Suttons-UK

www.suttons.co.uk/default.aspx

Territorial Seeds

www.territorial-seed.com

Thompson and Morgan-UK

www.thompson-morgan.com/

Tomato Growers Supply

www.tomatogrowers.com/ - Five hundred varieties of tomatoes, peppers and eggplant

Totally Tomato

www.totallytomato.com/ttsiteDefault.aspx

Unwins-UK

www.unwinsdirect.co.uk/ - The owner is especially fond of large produce that tastes good and produces prize winning vegetables. They are also famous for their sweet pea flowers.

Vermont Bean

www.vermontbean.com/vbsiteDefault.aspx - An amazingly diverse collection of beans.

Veseys Seed

www.veseys.com

Victory Seeds

www.victoryseeds.com
